++ Valid for broadcast between 0600 and 1800

Headline:
Cold but with plenty of sunshine on Monday.

Today:
Monday will be a sunny but chilly day, mostly dry with any early showers for coastal parts tending to die out by afternoon. Winds easing to become light. Maximum temperature 8 deg C (46 deg F).

Tonight:
Staying dry and clear through the evening, but with patchy cloud increasing overnight. Temperatures dropping away to give some early frost for many parts. Minimum temperature 0 deg C (32 deg F).

Tuesday:
A cold, bright start for most on Tuesday, becoming increasingly cloudy for many through the day but staying dry. Maximum temperature 8 deg C (46 deg F).

Outlook for Wednesday to Friday:
Cloudy on Wednesday with some rain. Turning brighter and colder on Thursday with freshening winds later. A cold start to Friday likely before turning unsettled and wet.
